### **PUBLIC NOTICE #3**

## **Ellsworth Façade Improvements Program**

<http://www.cityofellsworthme.org/planning/cdbg/index.htm>

**Application Deadline is May 5, 2011**

The Ellsworth Façade Improvements Program has about \$20,000 to help fund the façade improvements of commercial and mixed-used properties located within the Ellsworth Urban Core Area that meet Program goals such as correcting visible deterioration or providing ADA accessibility. Funding is in the form of a 0% interest deferred loan meaning that if the property being improved remains in the ownership of the applicant for 5 or more years after project completion no repayment of funds is required. For more information call 669-6615 or 669-6608.

The Ellsworth Façade Program is funded by the CDBG Community Enterprise Program and is compliant with all requirements of the Maine Department of Economic and Community Development (MeDECD), the City of Ellsworth guidelines, as well as all Federal, State and local regulations.

More information can be found at
